If your child has trouble caring for his/her belongings, please be selective of what you pack. The above items will be taken away from your child upon arrival and returned upon departure. When you get your camper home, please check to see that your camper has all his/her items, as many times campers get others things by mistake. Please return those items to the Camp Oliver office and we will return them to the proper owner.

THINGS TO DO BEFORE YOUR CHILD COMES TO CAMP OLIVER

1. Make sure they have spent a few nights away from home before their time at camp, to help prevent homesickness.
2. Make sure your child understands they will be sleeping in a cabin with other children their own age, especially if they come with an older sibling.
3. Campers may use the phone with the director's permission **ONLY**. We often find a camper talking to their parents only worsens the homesickness problem. ***Please do not promise your camper he/she can call home.***
4. Parents needing information about their camper can call the office (619) 445-5945
5. Your child will look forward to receiving mail while at camp. **Please send a postcard or letter to P.O. Box 206, Descanso, CA 91916-0206.** Please **DO NOT** send packages of food.

Thank you for your help and cooperation.
